07411603433 (M)

My name is Chainee Jain. I have completed **Post Graduate Diploma in Clinical Embryology and Assisted Reproductive Technology** from Bangalore University in collaboration with Momsoon fertility and IVF centre which is a 1 year course. It is the **India's only Government's UGC recognized** course in **Clinical Embryology and ART**. Here we got the theoretical and practical knowledge in human embryology. One of our eminent teachers who taught us the theory and practical is Dr. Y. Ravindranath.

During the course I had **hands on experience** in **ICSI, IVF, IUI, Semen analysis, sperm prepatration, oocyte screening, oocyte denudation, embryo culture, oocyte grading, embryo grading, embryo transfer, maintenance of IVF lab.**

I also learnt about **IVM, PGD, Reproductive Endocrinology, reproductive medicine involving oogenesis, spermatogenesis, vitrification of embryo, and ovarian stimulations with exogenous hormones, causes and management of infertility.**

I can professionally counsel patients coming for infertility treatment.

Career Objective:

Seeking a Challenging opportunity which could utilize & enhance my qualities & abilities in the organization, which values the individual contribution to get a distinguished position in a well esteemed organization to grow personally. To strengthen my practical acumen with hand on equipment and techniques, this could help me grow professionally.
