Personal Data

Name : Suresh dhurve

Father name : Jugri dhurve

Date of Birth : 10 may 1986

Marital Status: **Unmarried**

Hobbies : Music, Reading, cricket

Nationality : Indian

Language : Hindi, English

Objective:

MY idea of a career is one which offers me challenging roles and Responsibilities Leading to the continues growth of the self and the organization

Technical Qualification:

- ❖ Complete B.E biomedical engineering with 62.31% from S.G.S.I.T.S, Indore (M.P.) affiliated to Rajiv Gandhi Proudhyogiki Vishwavidhyalaya, Bhopal, (M.P.) in 2012
- ❖ Complete diploma in Bio-Medical Equipment Maintenance and technology with 72.92 from **C-DAC. Mohali (Punjab) Chandigarh** in 2014. Under center government of India

Working experience/ training

- ❖ Working at present as a biomedical engineer service and maintenance in **Rama Hospital Kanpur (u.p)** in biomedical engineering department since one year from august 2015 to present til date in September 2016
- ❖ worked as a biomedical engineer service and maintenance in **suyash hospital Raipur (Chhattisgarh)** in biomedical engineering department since one year from august 2014 to august 2015
- ❖ worked as a biomedical equipments service engineer in "**Universal medico healthcare pvt.ltd bhilai, Raipur (c.g&orisa regon)**" for three month from June 2014 to august 2014.
- ❖ Worked as a biomedical engineer trainee at "**max hospital mohali (Punjab) Chandigarh**" in service and maintenance of biomedical engineering department for two months from April 2014 to June 2014.
- ❖ Training of installation and testing of cardiac, therapeutic, and, imaging, equipments at 6th months in "**C-DAC mohali (Punjab) Chandigarh**" from January 2014 to June 2014.
- ❖ One month training in biomedical equipments functioning and understand all types of equipments at "**CHL APOLLO HOSPITAL INDORE (m.p)**" from April 2011 to may 2011.

Education:

Examination	Discipline/ Specialization	School/College	Board/ University	Year of Passing	%
Bachelor of engineering	Bio-Medical	ShriGovindramSeksaria Institute Of Technology And Science Indore	Rajiv Gandhi ProudyogikiVishwavidyalay a Bhopal (M.P.)	2012	62.31%
diploma	Biomedical equipment maintains & technology	C-DAC mohali (Punjab) Chandigarh	Center government of India	2014	72.92%
High Secondary school certificate	12 th	NBHS koti bazaar betul	M.P. Board Bhopal	2004	70.02%
High school certificate	10 th	Nasirabaad	M.P. Board Bhopal	2002	59.08%

Projects Done:**Minor Project**

Name of project	Electronic power supply
Environment	Printed circuit board Fabrication& Circuit designing, Fiber tube
Role	Team leader
Project Description	Electronic power supply

Major Project

Name of project	The method of EOG signal processing to detect the direction of eye movement
Environment	Printed circuit board Fabrication &Advanced circuit designing embedded system.
Role	Team leader
Project Description	The method of EOG signal processing to detect the direction of eye movement

Computer /software skill

- ❖ Diploma of computer application(DCA)
- ❖ Basic knowledge of **operating system**
- ❖ Application packages: **MS office**

STRENGTHS:

- ❖ Interested in taking up the responsibility and fulfilling it.
- ❖ Can work in a team and achieve excellent results.
- ❖ Ability to work under pressure and willingness to relocate.
- ❖ Ease of motivation.

KEY SKILLS IN BIOMEDICAL ENGINEERING DEPARTMENT

TECHNICAL KNOWLEDGE:

- ❖ Basic knowledge of maintaining biomedical equipment's in hospital department "**ICU, CCU, CATHLAB, NICU, SICU, MICU, GICU, OT, EMERGENCY, IPD, CSSD** and **radiology** department
- ❖ Knowledge about in **repair and maintenance** of biomedical equipment's.
- ❖ All Radiology Equipment's (MRI ,CT Scan, X-Ray, C-Arm, Mammography, OPG, Ultrasound machine)
- ❖ All Cardiology Equipment's (CATH lab, ICU Ventilator, Cardiac Monitor, Defibrillator)
- ❖ All Pathology Analyzers
- ❖ All Blood banks Equipment (Blood bank fridge, Deep freezer, Ultra low freezer, Tube sealer, Laminar air flow
- ❖ Other equipment's like Dental chair, dental equipment
- ❖ CSSD Equipment (Autoclave, Drying Cabinet, Instrument Washer, Ultrasonic Cleaner)
- ❖ All Dialysis Equipment (Dialysis Machine, RO Plant) Fetal Monitor, Fetal Doppler)
- ❖ All NICU, PICU equipment (Infant Warmer, Photo Therapy, Ventilator,
- ❖ All OT equipment (Anesthesia Machine , OT Light, Surgical Diathermy, OT Table, Endoscopic Equipment)

DOCCUMENTATION:

- ❖ Inventory management and codification of All biomedical Equipment's
- ❖ PM schedule for all medical equipment's
- ❖ History card for all Medical equipment's
- ❖ AMC/CMC for all Medical equipment's
- ❖ All Medical record
- ❖ To make Technical Specifications Comparatives before purchasing
- ❖ Pre Purchase requirement with all documentation(Indent, Purchase Order, Capital Performa Purchase)
- ❖ Condemnation report for all medical equipment.
- ❖ Basic knowledge about in critical area routine checks up in personal detail and attends breakdown call of equipment's.

JOB RESPONSIBILITIES:

- ❖ Installation of all medical Equipment.
- ❖ Verification of medical equipments at the time of delivery.
- ❖ Coordination with vendor for Purchasing/Installation/AMC/CMC/PMS/Service.
- ❖ To ensure successful installation & demonstration for all medical equipments with user satisfactory report.
- ❖ To reduce down time of all medical equipments
- ❖ Preventive maintenance of all medical equipments.
- ❖ To make debit note for delay in service or manufacturer defects in equipments.
- ❖ To provide telephonic support for team to resolve the complaint/problem
- ❖ At the time of emergency break down ready to attend the duty round the clock.
To ensure condemnation of all medical equipments.

PERSONAL DETAIL:

Name : Suresh dhurve
Father name : Jugri dhurve
Date of Birth : 10 may 1986
Marital Status : **Unmarried**
Hobbies : Music, Reading, cricket
Nationality : Indian
Language knowledge : Hindi, English

Declaration :

I hereby declare that all the details furnished above are true to the best of my knowledge.

Date:09..../09..../2016
