Summary

During the course of 4 1/2 years, I underwent various short term training programmes to hone my skills in order to be competent professionally. The Residency programme at L V Prasad Eye Institute, Hyderabad, which is one of the best eye care hospitals globally, has added that much phillip to my confidence, to manage efficiently all types of Eye diseases, surgically and or medically.

Did more than 1000 cases of cataract surgery which include 300 cases of Phacoemulsification. Competent of doing Topical phaco,

Competent of managing glaucoma cases medically and surgically.

Good clinical practice of extra ocular surgeries, laser (anterior & posterior segment)
